

The San Diego Chemist

American Chemical Society Volume 33, Number 1

San Diego Section January 2021

We wish you and your family

a happy and healthy New Year!

CHAIR NOTES

Dear ACS Members,

First and foremost, as the 2021 Chair of the San Diego Section of the American Chemical Society, I would like to extend my best wishes to everyone for a safe, happy, healthy and successful 2021. As we gradually emerge from the COVID-19 pandemic, we need to continue to apply the best practices to keep ourselves and those around us healthy and safe. I am humbled and honored to lead the Section in 2021 following the stellar examples of past chairs, including the 2020 Chair, **James T. Caldwell,** who successfully transitioned many of the Section activities from traditional social gatherings we all enjoyed and expected, to the novel (at the time) remote meetings via Zoom. This allowed Section events to continue while we practiced social distancing. I sincerely thank Dr. Caldwell for his leadership, dedication and hard work in the most uncertain and unusual times that was 2020. As the coda to the most unusual 2020, in lieu of a formal year-end meeting and holiday party, we had a business meeting via Zoom on December 3rd, 2020, where Dr. Caldwell presented his review of 2020 activities and I introduced myself and my vision for 2021.

In 2021, the leadership of the San Diego Section includes Juan Gonzalez-Gonzalez, (Chair-Elect), William Tolley, (Secretary), and Desiree Grubisha, (Treasurer). Congratulations to all for being elected to their respective positions. Along with the councilors, alternate councilors, members-at-large, and the committee chairs, this team of volunteers will strive to make 2021 an eventful year for the membership at SD-ACS. Our next Executive Committee Meeting will take place on Thursday, January 7th. All members are welcome to attend (please contact me at jshih@sandiegoacs.org to receive Zoom log-in details). Please join us to share your ideas, suggestions, and to volunteer in the Section. Volunteers are the source of inspiration and enable all the events for the Section. My theme for 2021 is "Chemistry of Everyday Things", as an addition to the traditional medicinal and organic chemistry, I would like to introduce the membership as well as the general public to the concept of chemistry being in everything we touch, use, and consume; from food and drinks to detergents to batteries and more, and to spark interest and curiosity.

To start 2021, due to a last-minute cancellation, in February we will have **Ajay Nirula, MD, PhD**, Vice President of Immunology at Eli Lilly & Co., to discuss the therapeutic landscape for COVID-19. Future seminars are being planned and will be announced as they are confirmed.

As it was in 2020, many of our traditional and favorite events, including Earth-Fair, Mad Science, Seniors Breakfasts, Family Picnic, 50-/60-/70-Year Member Luncheon, MedChem Symposium, National Chemistry Week/ChemExpo, Distinguished Scientist Award Banquet, and the Holiday Party, may have to be modified in accordance with the city, county and state health and safety regulations. Further details will be announced as we adapt to the ever-changing conditions.

In 2020, we also mourned the passing of our dear colleague, **John W. Schindler**, a longtime member of the Executive Committee, a past chair of the Section, and an esteemed chemist and professor. I am honored to have worked alongside **Dr. Schindler** in the Executive Committee over many years and learned from him.

Finally, on behalf of the Executive Committee of the San Diego Section of the ACS, I wish you a wonderful holiday season and a Happy New Year!

James J. Shih, 2021 Chair

San Diego Section of the American Chemical Society

E-mail: jshih@sandiegoacs.org - Web: www.sandiegoacs.org

NON-PROFIT ORGANIZATIONS!

Does your non-profit organization have an upcoming event that might be of interest to members of the ACS – San Diego Section? If so, please send your announcement to our 2021 Chair, **Jim Shih**, at *ishih@sandiegoacs.org*. Once approved, Jim will see that your announcement is published on our website (www.sandiegoacs.org) and, if received by the 20th of the month before the event, in *The San Diego Chemist* newsletter. This is a free service of the ACS – San Diego Section. Take advantage of it!

THE SAN DIEGO CHEMIST, the official newsletter of the San Diego Section of the American Chemical Society, published on a monthly basis, can be viewed at http://www.sandiegoacs.org/newsletter/.

All contents are published at the discretion of the Section's Executive Committee. Events of interest to chemistry professionals in the community may be included in the events calendar as space permits and are subject to editing for brevity. Advertisements and announcements from the chemistry community are accepted at published rates. The deadline for items submitted is the 23rd of the month for publication by the end of that month.

SECTION E-MAIL LISTSERVER!

Get up-to-the-minute reminders of local events and develop dialogs with your fellow members!

To subscribe to our moderated listserver:

- Send an e-mail with SUBSCRIBE TO LISTSERVER in the subject line, and your name and e-mail in the body of the message to **Ken Poggenburg** at jkp135@att.net.
- If you receive a message from the postman, reply to confirm that you wish to be added to the list, otherwise it will not take effect.
- You will receive reminders approx. 5-7 days prior to upcoming events and messages of general interest to members.
- To post topics for discussion, or informational items to the listserver members, send the message to sandiego-chemist-l@ucsd.edu.
- 5. If the moderator approves the post, it will be sent to the members.

NOTE: That is the letter "I", not the number "one" following the word "chemist".

Executive Committee Meeting Dates 2021 6:00 - 8:00 pm Thursday January 7 Thursday February 4 Thursday March Thursday April 1 Thursday May 6 Thursday 3 June Thursday July 8 Thursday August 5 Thursday September 2 Thursday October Thursday November

Zoom Meetings until further notice

The San Diego Section of the American Chemical Society would like to thank our Corporate Sponsors. Here are a few examples of our annual outreach programs that are made possible by their generous donations:

Mad Science - Stage demonstrations for 4th and 5th graders which make science fun for kids! Last year the program was viewed by over 8000 students in low-income areas and from military families.

ChemExpo - A science event for middle and high school students held in Balboa Park annually for the past 27 years. It features live stage demonstrations and interactive booths that teach kids about applied science. Last year over 1000 local students participated!

EarthFair - We participate in the world's largest free annual environmental fair, held in Balboa Park.

CALL FOR NOMINATIONS - ACS FELLOWS PROGRAM

Are you aware of an American Chemical Society member who has made significant contributions to **both** the field of chemistry and to the Society? If the answer is affirmative, please nominate the person to become a Fellow of the American Chemical Society. This program was established to recognize the top 1-2% of the top scientists and volunteers in the ACS.

The nomination period for the 2021 Class of ACS Fellows opens on February 1, 2021and closes at 11:59 PM 1 April 2021. Information on preparing a nomination can be accessed at https://www.acs.org/content/acs/en/funding-and-awards/fellows/nominations.html.

If the volunteer work done by the nominee was performed on behalf of the San Diego Section, the chair or a designee from the executive committee familiar with the service or scientific work will be happy to write a nominating letter.

Please help the ACS in recognizing those individuals who have made a difference! For assistance in preparing the nomination packet please contact Valerie Kuck at vjkuck@yahoo.com>.

ACS-HACH PROGRAMS

ACS-Hach Professional Development Grant

Funds professional development experiences for secondary chemistry teachers.

Award Amount: Up to \$1,500

Application Period: Deadline: January 4, 2021

ACS-Hach Land Grant Teacher Scholarship

Provides financial support to obtain a chemistry undergraduate degree and chemistry teaching credentials at one of our 72 partner institutions.

Award Amount: \$10,000 for full-time study

Application Period: Contact participating universities directly for application details

ACS-Hach Post-Baccalaureate Teacher Scholarship

Provides financial support for chemistry graduates with limited work experience to obtain a masters degree in education or teacher certification in chemistry.

Award Amount: Up to \$6,000 for full-time study and up to \$3,000 for part-time study

Application scheduled to open February 1, 2021

ACS-Hach Second Career Teacher Scholarship

Provides financial support for chemistry professionals to obtain a masters degree in education or teacher certification in chemistry.

Award Amount: Up to \$6,000 for full-time study and up to \$3,000 for part-time study

Application scheduled to open February 1, 2021

ACS-Hach High School Chemistry Classroom Grant – grants of up to \$1,500 are available for high school chemistry teachers to use to cover basic classroom or laboratory needs, fund professional development experiences, or support innovative ideas in chemistry education.

Application scheduled to open February 1, 2021

About ACS-Hach Programs

The ACS-Hach Programs provide financial support for future and current high school chemistry teachers. Learn more.

Contact us: Email: hach@acs.org -- Phone: (800) 227-5558 ext. 8178

CHEMISTRY JUDGES NEEDED

Virtual judging by professional societies at the 67th Annual Greater San Diego Science & Engineering Fair will take place on **Tuesday, March 16th, TBA.** For more information, please contact **Ken Poggenburg** at jkp135@att.net

VOLUNTEERS NEEDED

EARTH DAY - EARTHFAIR 2021

Sunday, April 25, 2021, Balboa Park • 10am - 5pm

San Diego ACS volunteers will set up a table in the Children's Activity Area. This special area has crafts, games, face painting, storytelling, and hands-on activities for children of all ages. Activities are intended to educate, entertain and inspire youth, in the spirit of Earth Day.

Please contact **James Caldwell**, <u>icaldwell@sandiegoacs.orq</u>, to volunteer Sunday, April 25, 2021. We need 3-4 persons for each of the 3-4 hour shifts on April 19th. Please support us and share your care for our earth, chemistry education, and the San Diego ACS!

IN MEMORIAM

We regret to announce the passing of San Diego Executive Committee member **Dr. John Schindler** on November 16, 2020. John served as our Section Chair in 1984 and was one of our longest participating Section members. Although he suffered in recent years from serious medical issues, he faithfully attended Executive Committee meetings, serving more recently as a Member-at -Large and Alternate Councilor. He received the Outstanding Committee Chair Award in 2016.

MEET & GREET TO INTRODUCE THE YCC

On Wednesday, December 2nd, the San Diego Section of the ACS Younger Chemists Committee (YCC) held a virtual meet & greet to introduce the YCC to aspiring and active chemists throughout San Diego County. The event was hosted by the following panelists: **Alexander Rovira** (Scientist, Janssen) **Mariko Matsuura** (Scientist, Corteva), **Brittany Witherspoon** (Scientist, Janssen), **Kristen Counsell** (Researcher, Drawbridge), and **Christopher Fisher** (Science Communicator, CG Life).

During the event, members of the committee gave an overview of the ACS organization as well as the mission statement from San Diego's YCC. Attendees were also introduced to the goals of YCC as well as what future events they can expect from the committee. Specifically, the panelists shared how their career journeys have impacted their professional development and inspired the committee's goals towards positively impacting the future chemists of San Diego County through advocacy, professional development, and networking.

Over 40 attendees had the opportunity to engage with the panelists in discussion topics such as graduate school applications, job hunting, and networking. Audience participation, suggestions, and feedback contributed to the great success of this event and has inspired the YCC for 2021 event planning.

For YCC inquiries or membership interests, please contact the committee at SanDiegoACS.org. The committee is actively looking for representation from community colleges, undergraduate and graduate institutions, and industry; and they are looking forward to establishing future networking opportunities and collaborations with other organizations.

Text: Brittany Witherspoon

LOOKING FOR VOLUNTEERS

The Executive Committee of the <u>Division of Organic Chemistry</u> of the American Chemical Society and the Department of Chemistry at the University of California, San Diego, invite you to attend the 47th National Organic Chemistry Symposium. This biennial event will be held from Sunday, June 27, to Thursday, July 1, 2021, at UCSD.

For more information please see https://nationalorganicsymposium.org/.
For volunteers please see https://nationalorganicsymposium.org/organizers/

Volunteer opportunities include chairing sessions during the plenary talks, judging the poster sessions, and running registration tables and social events.

ACS SPRING 2021: AN ALL-VIRTUAL MEETING EXPERIENCE

ACS has announced a fully virtual spring meeting. ACS Spring 2021 live events will be held online April 5-16, 2021. The program will include 10 weekdays of live sessions, followed by two weeks of on-demand content, at the presenters' discretion. This will allow for a maximum amount of science to be shared with the widest possible audience. Our primary goal is to enable the meaningful sharing of scientific information during the meeting, while ensuring everyone's safety – a core value of ACS – during the COVID-19 pandemic.

Meeting registration will be available in January 2021. Information about abstracts, registration pricing, and more is available on the FAQ page of the meeting website.

ACS Webinars™

Welcome to ACS Webinars, your source for online live and on-demand content, created by the American Chemical Society. **Please join us weekly, Thursdays at 2pm ET**. For more information and upcoming Webinars see: https://www.acs.org/content/acs/en/acs-webinars.html

EnCorps STEM Teachers Program Update

This year, we want to further our impact in public education by introducing a new virtual volunteer tutoring opportunity. We are piloting a STEMx Math Tutoring program where students will be paired with a mentor for 2, one on one, tutoring sessions a week.

Our application for both programs can be found on our website: https://www.encorps.org/.

For more information please contact:

Tanja Schroeder EnCorps STEM Teachers Program Southern California Recruitment Coordinator <u>tanja.schroeder@encorps.org</u> 760-905-9010

ACS JOURNAL PUBLICATION GUIDELINES

Are you preparing a manuscript for an ACS journal using Click Chemistry? Or perhaps elevated pressure or temperature, or work with an exceedingly toxic API? The ACS Committee on Publications adopted a requirement that manuscripts include safety information, as appropriate. Here is the specific JACS language:

Safety. Authors must emphasize any unexpected, new, and/or significant hazards or risks associated with the reported work. This information should be in the Experimental Section of the full article or the main text of a Communication.

Detailed information on how to word the safety information can be found in Section 1.3 of the ACS Guide to Scholarly Communication. This section is freely available at

http://pubsapp.acs.org/paragonplus/submission/ACS Guide to Scholarly Communication 1.3 Communicating Safety Information.pdf

Meeting this requirement need not be onerous, but it is necessary to alert others who are building on your work to avoidable hazards.

If you have specific questions or need assistance with the safety information, please contact me.

Neal Langerman

ATTENTION COMPANIES! Do you hire student workers?

If you have open positions in chemistry and biochemistry that would be of interest to college students, such as summer internship opportunities, here is a list of contacts you'll want to keep handy. The people listed below are the faculty advisors of the ACS Student Affiliate groups for all chemistry programs in San Diego County. These professors can get the word out to all chemistry and biochemistry majors at their schools about jobs, career fairs, open houses, etc.
